1 Day Air - Overnight AM - Next working day by noon (Most addresses)

Depending on where you live, & what time you call us, you can have your order the next morning, the next day, in two days, three days or longer. Whatever you want. We are a service business with products.

**SOME ZIP CODES REQUIRE
ADDITIONAL TRAVEL TIME DAYS.**

**SHIPPING COST IS BASED UPON
WEIGHT, DIMENSIONS & THE
SPEED OF THE SERVICE YOU
CHOOSE. OTHER SHIPPING
OPTIONS COULD BE POSSIBLE
WITH PRIOR ARRANGEMENT.**

We do not take advantage of our customers with our shipping rates. The cost of shipping your order is based on the weight & dimensions of the items you order. You can get the cost of shipping the items you wish to order by calling customer service, or better yet, go to our website where all info on shipping, including a shipping estimate for your order, is available!

If you live in one of the USA's 48 mainland states, start here, otherwise see below:

GROUND

This is almost always the cheapest way to go. Delivery takes 1 to 6 working days for a package to reach you depending where you live. Not guaranteed! Counting starts the working day after we ship. Parts of California & Northern Nevada are usually one day. The Midwest & East Coast are usually 4 or 5 working days. Other areas are usually 2-4 days.

Order Monday morning from California & receive it Tuesday in many areas. Order Monday morning from New York & receive it the following Monday, sometimes sooner. Our new **UPS SurePost** is the least expensive for most orders weighing 9 lbs or less, but usually takes 1 to 2 days longer. For orders over 9 lbs, we are now also offering **FedEx Ground**, as they are offering **better rates!**

Dimensional weight - We can only quote shipping based on what it should weigh once packed. Now, UPS & FedEx are both charging by the size of the box instead of by weight, & for bulkier lighter weight objects, this makes it more expensive than the charge would be by weight. We cannot predict what size box, & on occasion we may have to contact you to collect the additional shipping that they are charging us. This will definitely affect things like bulk squeeze bottles, hoops, light bolts of fabric, etc.

Rural addresses may take longer!

Deliveries are not made every day to rural customers & shippers have begun adding a surcharge of up to \$3.75.

Where & how often is complex. If you live in an out of the way place, deliveries may take longer & cost up to an additional \$3.75.

If you are mailing in your order with payment, the following will help you to estimate shipping costs. You need not be exact.

Please over estimate! If you don't send enough to cover shipping, it can delay your order while we contact you & then wait for you to send the balance needed. How much you enclose for shipping with your order has absolutely no bearing on how much you will be charged for shipping. We refund the balance to you in cash or check. These rates don't include insurance of \$1 for the first \$20 subtotal, and \$1 for each additional \$100 for Post, and .50 for each \$100 after the 1st \$100 for UPS & FedEx.

The following are approximate GROUND Shipping & Handling rates. *Quotes for 1 & 5 lbs are for the new SurePost

	S.F. Bay area	40-600 miles	Rocky Mntn. states	East of the Rockies	East Coast
*1 LB	\$6.49	\$7.17	\$7.44	\$7.76	\$7.86

ECONOMY AIR OPTIONS: 3 DAY • 2 DAY • 1 DAY

Because of our large volume, we can offer **discounted rates for 1, 2 & 3 day service**. Economy Air 3 is useful for those living east of the Rocky Mts. A small increase in shipping cost gets your order to you in 3 days rather than 5-7 days. If you live in the boonies, then it might take an extra day. Depending on where you live, delivery can take an extra day, or occasionally more. The times quoted are for metro areas & are not guaranteed everywhere. **Allow a margin for error if you have a deadline.**

IF YOU LIVE IN HAWAII OR ALASKA, START HERE:

In Hawaii & Alaska, shippers charge different rates for metro & rural addresses. They vary in what they consider metro.

We offer UPS Ground service to Hawaii & Alaska. While Mail is less expensive for small orders, other carriers are more reliable. Costs include handling & .40 for Postal delivery confirmation. Insurance is added at \$1 for the first \$20 subtotal, & \$1 for each additional \$100 for post, & .50 for each \$100 after the 1st \$100 for UPS & FedEx.

IF YOU LIVE IN CANADA, START HERE:

There are a few ways to have your order shipped to Canada, depending on where in Canada you live.

1st Class Mail - Air Parcel Post - available to all areas, but not trackable. Priority US Mail offers tracking.

Fed-Ex/UPS Air Economy or Air Priority - faster, more expensive, but subject to brokerage, duties & taxes*.

TRANSIT TIMES ARE APPROXIMATELY:

First Class US Mail is 3-4 weeks. Air Priority is about 6-10 business days. Customs can add one or many more days.

Rural delivery adds days & extra charges for delivery to some remote areas. All orders are insured to guarantee replacement.

The cost of insurance is added at \$1 for the first \$100 subtotal, & .50 for each additional \$100 after the first.

*You are responsible for the shipping company's brokerage fees & Canadian import duties & taxes. These will be charged to you extra & are due & payable upon receipt of your order. We cannot give you an estimate of what those will be, nor are they part of our invoice. If your order is not huge & goes by mail, there is usually no brokerage, & duties & taxes seem random. However, if the Post misplaces your package, you have to wait 30 days for it to show up before we can file an insurance claim for you & you will have to wait to collect. Fed Ex is reliable & packages are easily tracked. If this all sounds crazy - join the club!

DELIVERY INSTRUCTIONS?

If you have a special request for the delivery driver, like "Leave without signature", or "Leave in backyard under flowerpot & don't worry about the dog cause he doesn't bite", **don't tell us!** We can't make it happen. Shipping company policy is for drivers to look at their electronic manifests for the address, not at the shipping label. Special instructions cannot be keyed into the computer address fields anyway. Your very best bet is to leave a signed note where your driver will see it. He will use his judgment.

WE SHIP ALL OVER THE WORLD!

A couple of countries continue to give us problems, but otherwise there are no minimums or other restrictions. Visit our website for further details or call us directly. You are also urged to contact your local customs office regarding any import restrictions and/or duties & taxes.

While shipping costs are high, our low everyday prices & the falling value of the U.S. dollar often make us less expensive than buying in your locality! We also offer discounted bulk rates that save you a lot for packages 9 lbs & under, but it takes longer.
