This letter is in response to your request for information regarding compliance of our products with the California Consumer Product Safety Improvement Act (C.P.S.I.A). We are pleased to inform you that no components of both the AW Inkjet Light (product S419RFT) or the Ink Jet Dark (product S413DFT) are on these lists. Furthermore, these products are "Articles" under the U.S. Federal OSHA Hazard Communication Standard (29 CFR 1910.1200) and the Canadian Workplace Hazardous Material Standard and are not considered a dangerous substance or dangerous preparation under the standards of the European Community.

As a manufactured article, these products present negligible health and physical hazards under reasonably anticipated circumstances of use and do not require label information to address any chemical hazards. Please feel free to contact me regarding this matter if needed.
Thank you
